62nd

Scientific Meeting on

MEDICAL IMAGING

ROYALE CHULAN, BUKIT BINTANG 23rd NOVEMBER 2019

www.nuclearmalaysia.gov.my

HIGHLIGHTS

- Safety Management & Quality Assurance Programme
- Performance & Reliability of Equipment
- Legislation, Procedures & Practices
- Advanced Radiography Techniques
- Education & Training
- Dose Optimisation
- Image Quality
- Care and Maintenance of Equipment

Recognition

 ALAM SEKITAR DAN PERUBAHAN IKLIM
 MINISTRY OF ENERGY, SCIENCE, TECHNOLOGY, ENVIRONMENT & CLIMATE CHANGE

SG06/00734 MY06/0164
 ISO 9001:2015 Since April 2018

Introduction

This 1-day seminar will be focusing on the applications of imaging technology and other modalities in medical sector in relation to the legislative requirement, good operational practices, quality assurance programme, patient dose reduction, future direction, standard and practices. In order to further upgrade and enhance the quality, safety and efficiency of radiological services all doctors and operators are required to attend the Continuous Medical Education (CME) programme. Thus, this CME programme will enlighten the current thinking of radiography practices especially in private clinics and general practitioners to first class minded through first class facilities and first class maintenance.

Who Should Attend?

- General Practitioners
- Physicians
- Medical Physicist
- Lecturers & Students
- Academicians
- Radiographers
- X-ray Operators
- Licensee (RPO/Supervisor)
- Vendors
- Suppliers for medical equipment
- Those who are interested in radiation protection and radiological safety in medical application

Also open for general public

MXR400

Your Investment ▼

Packages	Fees	
	Seminar Only	
Single Registration per pax After IPTN	RM 500 RM 475	A
Team Discount per pax After IPTN	RM 475 RM 450	B
Govt./ MMA / MARPA / Students / Partners*	RM 450	C

*Partners are referred to those obtain QC service from Nuklear Malaysia

Full registration fee is required with the registration form. Fees include the cost of training materials, luncheons, coffee break and refreshment. Payment through bank draft / money order / company cheque / Local Order (L.O) should be crossed and made payable to **Director General Malaysian Nuclear Agency.**

Programme Objectives

- ★ To keep abreast with the latest development in radiological technology and other modalities for medical applications
- ★ To disseminate information on the latest development, strategies and future direction for proper radiological practices
- ★ To fulfill the CME requirement for licensing purposes
- ★ To realise the needs of proper measures in order to improve the radiography quality services and safety confidence
- ★ To enhance knowledge, sharing thought and experience with other professional colleagues

Paper Presentation

A total of 6 papers are scheduled to be presented at the meeting. Comprising 1 keynote address and 5 papers delivered by distinguished speakers covering the following topics:

- Safety and Working Procedures in Medical Imaging
- Performance & Reliability of Equipment
- Production of Quality Images
- Safety Management Audit
- Education & Training
- Legislation, Procedures, Practices & Standard
- Dose Reduction Programme
- New Emerging Techniques
- Care & Maintenance of Equipment

The session will be from
0830 hrs - 1700 hrs

Closing Date :

8th November 2019

Jointly Organised by

- Malaysian Nuclear Agency (Nuklear Malaysia)
- Ministry of Health Malaysia (MOH)
- Malaysian Radiation Protection Association (MARPA)

Easy Ways to Register

Please send us the complete registration form or participation's details (Name, I/C, Company Name, Contact Info) via :

▶ Mail / Fax

Director General
Malaysian Nuclear Agency (Nuklear Malaysia)
Bangi, 43000 Kajang, Selangor
(Attn: Nuclear Malaysia Training Centre)
03.8911.2180

▶ Email

hadza@nuclearmalaysia.gov.my
wan_syazlin@nuclearmalaysia.gov.my
adnin@cc.nuclearmalaysia.gov.my

▶ Online Registration

<http://eclient.nuclearmalaysia.gov.my>

▶ Walk in participants with payment will also be admitted on space available basis.
